

scholarship may not be awarded until the following year when a new application would be submitted. A current year tax form (1040) of the parent(s) that the applicant resides with or the parent whom claims the applicant is required.

9. Students will not be contacted to request proof of grades or an updated application for renewal scholarships. It is the responsibility of each student to provide accurate, timely grade reports to the Scholarship Selection Committee immediately after each semester/quarter.
10. Scholarship awards may vary from year to year depending on availability of funds. If special circumstances call for a specific amount, a letter of explanation from the student is requested.
11. Once a Scholarship is awarded to a student for a particular college, changing colleges may change the amount of the scholarship award. If denied, the student would have to re-apply prior to the following March.
12. Scholarship awards will be mailed at the beginning of the fall semester and the beginning of the sprint semester for one-half of the awarded annual amount. Checks will be payable to the student AND the college or university. Checks will be mailed directly to the student and they will need to contact the financial aid officer at the school to finalize the award.
