Re: Fair Lakes Branch Safe Deposit Box Relocation

Dear Valued Customer,

On the afternoon of May 2, 2018, a fire broke out at our Fair Lakes location at 13060 Fair Lakes Blvd., Fairfax, VA. Thankfully, our employees and customers were able to evacuate the building safely, and we're grateful to the courageous first responders for their service.

The Fair Lakes location will remain closed until further notice due to damage sustained from the fire. We have completed the secure relocation of the safe deposit boxes from the Fair Lakes location to our Union Mill location at 5766 Union Mill Road, Clifton, VA. We invite you to visit this location beginning Saturday, May 5 at 9 a.m. to access your box.

Extra staff will be at the Union Mill location specifically to assist you with accessing your box and to address any concerns you may have about the condition of the contents. If you would like to schedule an appointment to access your box with the assistance of a dedicated bank representative, please call 703.584.3890.

We will continue to provide updates on our website as soon as information becomes available, so please check back periodically for more information. We apologize for any inconvenience this may cause and appreciate your understanding as we work to reopen this location.

Sincerely,
