

Simple and Secure - Apple Pay™ for United Bank

With Apple Pay, use your iPhone® 6, iPhone 6 Plus and Apple Watch at hundreds of merchant locations nationwide to conveniently make purchases without having to reach for your check card.

Pay with a Single Touch

Use Apple Pay and add your United Check Card to pay the easy, secure and private way. With Apple Pay you still get all the rewards, benefits and protection your United Check Card already provides.

A Secure Way to Pay

Apple Pay transactions are authorized with TouchID™ thumbprint security or your passcode, and transactions never use your card number.

It's Easy to Get Started.

1. Add your United Bank Check Card to Apple Pay.
2. Pay for your purchases by holding your phone near the reader at a participating merchant with your thumb on the Touch ID button.
